GENERAL INFORMATION

Situation

Low Town Farm is located to the southeast of the picturesque village of Longframlington within easy access to the A697. Enjoying a rural location, yet extremely convenient for comprehensive services within a short drive of Morpeth or indeed Newcastle upon Tyne. There are excellent rail links to London and Edinburgh from Morpeth train station as well as Newcastle airport which is in close proximity.

Low Town is within the catchment area of the highly sought secondary school, King Edwards in Morpeth.

Description

An attractive Grade II listed property with huge residential and/or equestrian appeal and potential to develop (subject to gaining necessary planning consent) if so desired. Comprising a farmhouse, stable/outbuildings and 1.20 hectares (2.96 acres) of grassland .

PARTICULARS OF SALE

Low Town Farmhouse

An impressive farmhouse with gravel drive to the front providing parking for several vehicles, private enclosed lawned garden to the side and further lawned area to the rear adjoining the paddock and stable/outbuilding area.

The superbly well-built stone under slate property is a Grade II listed former Coach House dating back to 1750 with the initials WAE (William and Elizabeth Alder) over the front door.

The farmhouse is large with generously proportioned rooms including kitchen, dining room, living room, utility, shower room, WC/boot room and porch to the ground floor.

To the first floor a master bedroom with fitted cupboards and en-suite bathroom, two bedrooms and family bathroom. Stairs lead to the second floor with charming, exposed beams, two further attic rooms plus an additional bathroom.

Land

Adjoining and to the rear of the property the paddock measuring 1.2 hectares (2.96 acres) of permanent pasture is well fenced with troughed mains water. Ideal equestrian grazing.

Access to the field is via a narrow passage to the east of the farmhouse or perhaps more preferable, would be to create a new entrance to the rear of the property and paddock over the strip of land adjoining the western boundary of the garden, which has been included in the sale. Please note this strip of land is currently unfenced and any new boundary would be the responsibility of the purchaser to erect and maintain.

Agricultural Land Classification map North East Region (ALC001) shows the land being classified as Grade 3. All land is classified by the Rural Land Registry as Non-SDA.

Outbuildings/Stables

A traditional stone stable block, comprising four loose boxes with various smaller additional outhouses. Historically the vendors have successfully had planning permission granted for conversion into holiday cottage accommodation, this has now lapsed.
